

## BrandMark User Manual

### Application Login – First Step

The image shows the BrandMark login screen. At the top is a header bar with 'LOGIN' in white text on an orange-to-pink gradient background. Below the header is a white background with a faint pattern of various icons. In the center, there is a black box with 'BrandMark' in white, and below it, 'Version 1' in smaller black text. There are two input fields: 'USER ID' and 'PASSWORD'. The 'USER ID' field has a red 'X' icon to its right, indicating an error. The 'PASSWORD' field has a 'Forgot Password?' link to its right. At the bottom, there is a red button with a white right arrow and the word 'Login' in white text.

Login Screen

The image shows the BrandMark login screen after a successful login. The layout is identical to the previous screen, but the 'USER ID' field now contains the text '1063807' and has a green checkmark icon to its right. The 'PASSWORD' field contains four dots. At the bottom, there is a black bar with the text 'Login Successful.' in white.

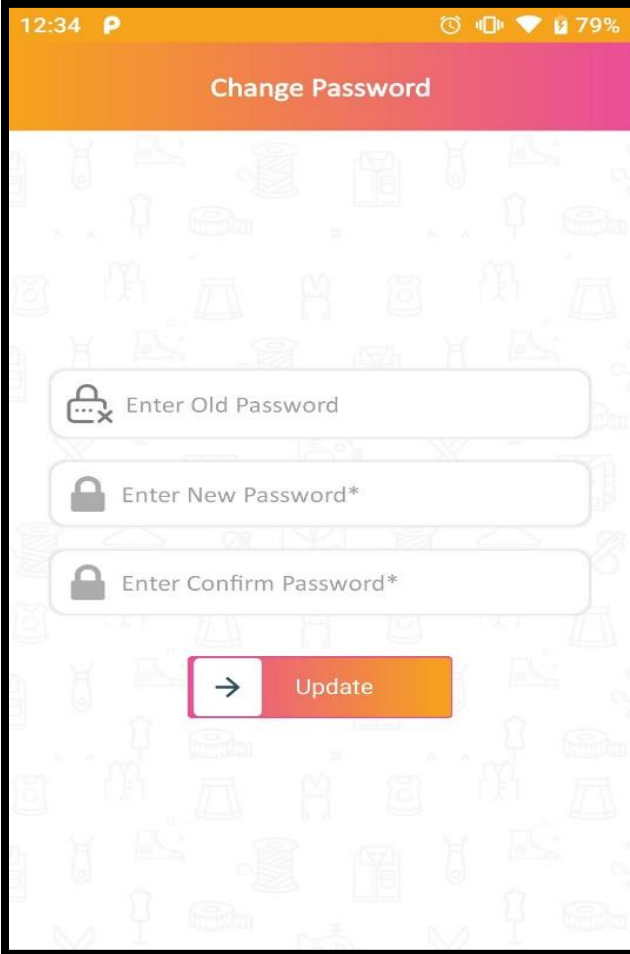

**User ID:** Enter User ID

**Password:** Enter Default Password 123

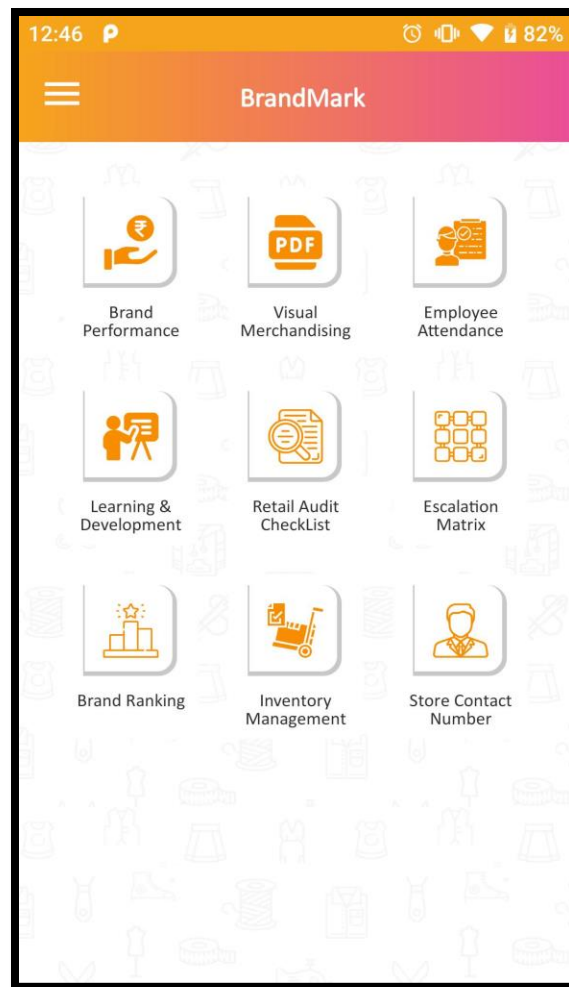

- User ID would be your **Mobile Number** with Default password **123**.

## Change Password

- After the User logs in with the Default password, Option to change the password would appear, User must update a New password to proceed further

A mobile application interface for changing a password. The screen has a white background with a repeating pattern of small, faint icons related to sewing and fashion. At the top, there is a status bar with the time 12:34, a signal strength icon, a battery icon, and a 79% battery level. Below the status bar is a header bar with a gradient from orange to pink, containing the text "Change Password" in white. The main content area contains three input fields, each with a lock icon on the left and text on the right: "Enter Old Password", "Enter New Password\*", and "Enter Confirm Password\*". Below these fields is a button with a white right-pointing arrow on a pink background, followed by the word "Update" in white text on an orange background.
